Em   Gmaj7
I ve been here before
Em   Gmaj7
But always hit the floor
     Cmaj7
I ve spent a lifetime running
       Bsus4
And I always get away
           Cmaj7
But with you I m feeling something
     Bsus4   B
That makes me want to stay

Em   Gmaj7
I m prepared for this
Em   Gmaj7
I never shoot to miss
           Cmaj7
But I feel like a storm is coming
         Bsus4
If I m gonna make it through the day
               Cmaj7
Then there s no more use in running
        Bsus4   B
This is something I gotta face

Em D/F# G   C
If I   risk it all
Em   D/F# G   B
Could you break my fall?
         Em   D
How do I live? How do I breathe?
                 C   D
When you re not here I m suffocating
                 Em   D
I want to feel love, run through my blood
         C   Bm
Tell me is this where I give it all up?
     Am   Am7   Bm B
For you I have to risk it a-all

Em                      Gmaj7
A million shards of glass

That haunt me from my past
        Cmaj7
As the stars begin to gather
          Bsus4
And the light begins to fade
          Cmaj7
When all hope begins to shatter

Know that I won t be afraid
