C

Together, you and I, but suddenly

Em

D

You say there's a tear

C

Caught me unprepared

G

Next time warn me before

D

I find my heart on the floor

Em

C

Should have known that I don't like surprises, baby

G

Cause I'm still feeling it hard

D

Caught me way off guard

Em

Why am I the last to know,

C

When baby all I'm asking for is

G

Gimme a heads up, won't you, won't you

D

Gimme a heads up, oh

Em

Gimme a heads up, gimme a heads up

Come from behind and smash my fragile heart

G

You say it's for the best

D

That way you get it over fast
