**C** **G**  
No I donâ€™t understand,  
**Am**  
How I held it together,  
**F**  
Before I could hold your hand.  
**C**  
And I canâ€™t,  
**G**  
I canâ€™t recall,  
**Am**  
If I knew who I was before,  
**F**  
you know me flaws and all.

**G Am**  
Ooouooo  
**F**  
feels like a life time  
**G Am F Fm**  
ago-ooouooo, do you know?

Chorus:

**C**  
Who did I used to be,  
**G**  
how was there ever me, without you,  
**F**  
donâ€™t wanna ever be without you,  
**Fm**  
without you, me without you.  
**C**  
Baby I canâ€™t believe,  
**Em**  
I ve ever lived, or breathe without you.  
**F**  
Donâ€™t let me ever be without you,  
**Fm**  
Without you, me without you,

**C**  
Lost at sea,  
**G**  
I found your shore,  
**Am** **F**  
And I can't crumble back to man I was before.  
**C**  
You're all I am,  
**G**  
I'm only this,  
**Am** **F**  
Since my world was reset, for the better in our first kiss.

**G Am**  
Ooouooo  
**F**  
The only world that I  
**G Am F Fm**  
Knoow, is yours alone

Chorus:

**C**  
Who did I used to be,

without you, me without you.

Without you, me without you,

**Am** **E**  
And what did I dream about before I knew your face,  
**Am** **D**  
In this empty world, how did I filled that space,  
**F**  
It's now as thought, I've always known,  
**B**  
You'd be the one,

To change my life and make the man
