**Cadd9** **D**  
Bags all packed, make sure, you remember everything

No looking back, no more; not for anything.

This is what you wanted, isn t it?

**G**  
Clear it out just like you ve never been

**G/B**  
What s a goodbye good for, anyway?

**Em** **C**  
There s nothing left of you to remind me

**D**  
But somehow you re still standing behind me

[Pre-Chorus]

**Cadd9**  
I m trying hard to forget you

**D** **G**  
But my empty walls won t let me let you go

**G/B**  
When you took it all, you forgot your shadow

**Cadd9**  
You say you wish me well without you  
**D** **Em** **D/F#** **Cadd9**  
But something bout you tells me that you know, ohhh, ohhh

I bet it looks like I m not even trying to

With nothing left of you to remind me

**D**

So why are you still standing behind me

[Pre-Chorus]

**Cadd9**

I m trying hard to forget you

**D**

You say you wish me well without you

Your shadow, your shadow

When you took it all you forgot
