

What Youve Done To Me
Samantha Jade

Capo on 2nd Fret

Verse: **G D Em C**

Sometimes you get what you want
Sometimes you get what you donâ€™t
Sometimes ya, get nothing at all

And when it finally comes round
You tear it up break it down
Down till there s nothing at all

I used to be so in control
No one could ever touch me
I tell myself I never fall
And nobody would catch me

Pre-Chorus: **G D Em C**

You shot your love through my defenses
And left me wide open
Feels like my feet can t touch the ground (the ground)
That s what you ve done to me

Chorus: **G D Em C**

I m a rocket to the sun
I m a heartbeat on the run
(That s what you ve what you ve done to me)
I m a bullet I can fly when you kiss me I can die
(That s what you ve what you ve done to me, to me)
You ve done to me

Verse 2: **G D Em C**

Sometimes you love but they don t
Sometimes they love but you won t
Sometimes ya just can t figure it out
My planet s aligned and there s no doubt in my mind, mmm

Pre-Chorus: **G D Em C**

Baby, you shot your love through my defenses
And left me wide open
Feels like my feet can t touch the ground
That s what you ve done to me

Chorus: **G D Em C**

I m a rocket to the sun
I m a heartbeat on the run
(That s what you ve what you ve done to me)
I m a bullet I can fly when you kiss me I can die

Uh-hu~uh~hu, yeah, done to me

I m a rocket to the sun
I m a heartbeat on the run
(That s what you ve what you ve done to me)
You ve done to me
