Shadows
Samestate

C#
There is a sanctuary,
G#
A shelter from the storm
Bbm
Seek and you will find it
F#
Run until you see it
C#
If you can hear the thunder,
G#
coming back for more
Bbm
To you there is hope
    F#   **G#**
and for you the anchor holds

CHORUS
C#
There is a shadow dark enough to hide ya
G#
There is a lime light bright enough to blind ya
Bbm
But when the saints they sing into the heavens
F#
There is a God who's big enough to save us

BRIDGE
F#   **G#**
And with love well carry on
      Bbm   **F#**
Cause grace was strong enough
F#   **G#**
And we will join our hands
          Bbm   **F#**
And sing of all these battles won
F#   **G#**
And with love well carry on
      Bbm   **F#**
Cause grace was strong enough
