

Milk

Samia

[Intro]

C Fmaj7 C Fmaj7

[Verse 1]

C

Good morning, fatigue

C

I remember you fondly

Fmaj7

We bathed in the grease on the McDonald s floor

C

And we wanted to jump off the pier at the seaport

Fmaj7

Pondering whether we d been here before

Dm

Welcome to Phoenix, they scream through the overhead

G

You re just lucky you re tired and not dead

[Chorus]

C

Cause it s just milk

C Fmaj7

It s just milk on the floor

C

Fmaj7

And it s just me and it s not you anymore

[Verse 2]

C

Goodnight to my namesake

C

At will of an alien lung

Fmaj7

Like a cedar tree bent 45 degrees

C

You are too grand I am shouting at no one

Fmaj7

But sweet tender baby, the damage is done

Dm

Oh welcome to Phoenix

Dm

Nobody s been killed

G

So don t cry, my dear, over something you spilled

[Chorus]

C

If it s just milk

C **Fmaj7**

It s just milk on the floor

C

Fmaj7

And it s just me and it s not you anymore

[Bridge]

Dm

F

They pull the plug and her spirit ascends and she s singing to me from on high

Dm

G

I m in the bathroom seeing how far my two fingers can fit around my thigh

[Chorus]

C

It s just milk

C **Fmaj7**

It s just milk on the floor

C

Fmaj7

And it s just me and it s not you anymore

C

And it s just milk

C **Fmaj7**

It s just milk on the floor

C

Fmaj7

And it s just me and it s not you anymore
