Whether I m right whether im wrong  
Whether i find my place in this world or never belong  
Ive Gotta be me Ive Gotta be me  
What else can i be what i am  
I wanna live not purely survive  
And i wont give up dream of life that keeps me alive  
Ive Gotta be me Ive Gotta be me  
The thing that i see makes me want i am  
That far way prize a world of success is witing for me  
If i heed the call  
I wont settle down or settle for less  
As long as theres a chance i can have it all  
I ll go it alone thats how it must be  
I cant be right for sombody else if im not right for me  
I Gotta be free Ive Gotta be free  
Dearing to try do it or die ive gotta be me  
I ll go it alone thats how it must be  
I cant be right for sombody else if im not right for me  
I Gotta be free I just gottan be free  
Dearing to try do it or die ive gotta be me
