

Deeper Kind Of Love
Sammy Hagar

Tuning: 440/Standard EADGBe

Comments: This isn't 100% dead on but we've played it live this way a few times and it's enough to fake out most people. I use muted power chords in the D-A-G progression the end of the verses then flow into the riff, it seems to work really well. Then of switching for the third verse to a clean guitar until the riff kicks back in.
