

**Reckless**  
**San Cisco**

Capo 2

**Em**                  **D**      **G**  
And it s warm like a soft kiss  
**Em**                          **D**          **G**  
You re someone that I m gonna miss  
          **Em**                  **D**          **G**  
Because all of the loving in the world  
          **Em**                  **D**          **G**  
Well I wouldn t mind loving that girl  
          **Em**                  **D**          **G**  
No I wouldn t mind loving that girl

**Em**          **G**          **Em**          **D**          **G**  
Cause reckless is fun when you re not the one who gets hurt  
          **Em**          **G**          **Em**          **D**          **G**  
Cause reckless is fun when you re not the one who gets hurt

**Em**          **D**                  **G**  
Put all my thoughts into a jar  
**Em**          **D**                  **G**  
Hide it away somewhere so far  
          **Em**                  **D**                  **G**  
The thoughts, the things I thought I knew  
          **Em**                  **D**                  **G**  
And you could fit right in there, too  
          **Em**                  **D**                  **G**  
Yes, you could fit right in there, too

Chorus:

**Em**          **G**          **Em**          **D**          **G**  
Cause reckless is fun when you re not the one who gets hurt  
          **Em**          **G**          **Em**          **D**          **G**  
Cause reckless is fun when you re not the one who gets hurt

**Em**                  **G**  
Cause when your heart s in your mouth  
          **Em**                  **D**  
And your gut s on the ground  
          **Em**                  **G**                  **Em**  **D**  
And you ve got nothing left from the chest down  
          **Em**                  **G**                  **Em**  **D**  
And something is nothing cause what you had  
          **Em**          **G**          **D**          **Em**  
Was so much, so much better than that

Chorus 2x
