

Wild Things
San Cisco

Hey! this is my first tab, I hope it helps you, I got all the chords by ear so i think they are pretty much right:)

Good Luck and keep rocking! lml,

-Intro- **Em** , **A** , **D** , **G**

-Verse-

Em A
The wild things will chase you down
D G
They ll steal your throne and break your crown
Em A
Don t ever look them in the eyes
D G
You ll only find a nest of lies

-Bridge-

Em
You ve got the hatred that you
A
You ve always hated in you
D **G**
You ve got to face them now

-Chorus-

D Try to stay away

G

Em

From where the wild things play

A

(La la la la la)

[x2]

-Verse-

Em **A**

If you waltz with the wild things

D **G**

They ll break your nose and steal all your things

Em **A**
And it gets worse, late at night
D **G**
After the long day, when you can't fight

-Whistle Solo-

Em, A, D, G [x2]

-Bridge-

Em
You've got the hatred that you
A
You've always hated in you
D **G**
You've got to face them now

-Chorus-

D **G**
Try to stay away
Em
From where the wild things play
A
(La la la la la)
[x2]
