I ve seen your face on stained glass, in colored lights  
**Dsus2** **A** **E**  
In pictures of you looking to the sky  
**E** **Bm** **A**  
You ve been portrayed a thousand different ways  
**Dsus2** **A** **E**  
But my heart can see you better than my eyes  
**D** **A** **E**  
Cause it s love that paints the portrait of your life

**E**  
The face of love  
**Bm**  
The face of love  
**F#m** **A** **E**  
You look more like love every day  
**E** **Bm** **A**  
I ve read your words in the pages of your life  
**Dsus2** **A** **E**  
And I ve imagined what you were like  
**E** **Bm** **A**  
I may not know the shape of your face  
**Dsus2** **A** **E**  
But I can feel your heart changing mine  
**D** **A** **E**  
And your love still proves that you re alive

**E**
