

Fly
Sanctus Real

Capo 1

D **Am**
When last place is where I've been
D **Am**
It's hard to find the strength to start again
D **Am** **C**
Sometimes it seems like I can never win
D **Am**
I'm held back by the weight of the crowd
D **Am**
Can't move to find my way out
D **Am** **C**
You give me faith to get my feet off the ground

Cause it's not easy

Em **G** **D/F**
Trying to fly against the wind
Em **G** **D/F**
When I keep on falling back to where I've been
Em
Start over again

D **Am**
I'm overwhelmed when there's too much
D **Am**
Hiding the view to all that you've done
D **Am** **C**
I step back to see how far we've come
Em
And you're always with me (when I'm)

Em **G** **D/F**
Trying to fly against the wind
Em **G** **D/F**
When I keep on falling back to where I've been
Em **C** **D**
Trying to fly against the wind
[**C**, **G**], [**C**, **G**, **Em**], [**C**, **G**] **D**, **C**, **Em**
Start over again

D **Am**

When last place is where I've been

D **Am** **C**
You give me what I need to start again

Em **G** **D**
Trying to fly against the wind

Em **G** **D/F**
But I keep on falling back to where I've been

Em **G** **D**
Trying to fly against the wind

Em **C** **D** **Em** **G**
And you keep on coming back for me again... over and over again
