(Verse 1)

I bow my head to pray, I don t know what to say **D** **A**
I m not sure how to fix the things I m dealing with **E** **F#m**
I m in a desperate place, I need to share the weight **D** **A**
But I just don t know how, to let it all pour out **E** **F#m**
Though I m silent, my heart is crying **D** **A**
Cause I was made to come to You **E** **F#m**

(Chorus 1)

So I pray **D**
God I need You more than words can say **E** **F#m** **D**
Right here in this moment **E** **F#m**
You know my heart, You know my need **D**
You know every part of me **E** **F#m**
So even if it s just to speak Your name **Bm** **D**
I m gonna pray **D** **E**

(Verse 2)

I failed to find the time, but You ve been calling out **D** **A**
I let the days go by as if I could live without **E** **F#m**
But it s gotta be here now, I won t be pulled away **D** **A**
Cause it s just You and I, so let the world around us fade **E** **F#m**

(Chorus 1)

As I pray **D** **E**

God I need You more than words can say **F#m** **D**

Right here in this moment **E** **F#m**

You know my heart, You know my need **D**

You know every part of me **E** **F#m**

So even if it s just to speak Your name **Bm** **D**

I m gonna pray **D** **E**

I m gonna pray **D** **E**

Father! **A**

Will You meet me here right now? **E/G#**

Father! **F#m**

I surrender, lay it down **E**

Father! **A**

And every time I close my eyes **E/G#**

I know that I was made **D/F#** **E**

To lift my hands and pray **D** **E**

I lift my hands and pray **D** **E**

(Chorus 2)

You know my heart, You know my need **D**

And every single part of me **E** **F#m**

So even if it s just to speak Your name **Bm** **D**

I m gonna pray **D** **E**
I m gonna pray **D** **E**
