

The Redeemer
Sanctus Real

The Redeemer - Sanctus Real
Capo 1

When playing verse 1 the first time pick the strings like this:
On the G pick strings E and A
On the Em7 pick strings E and A
On the Cadd9 pick strings A and G

Intro
Em7 Cadd9 G D Em7 Cadd9

Verse 1

G
Sometimes I just wanna start over
Cause everything looks like a wreck
Em7
And I need the courage to carry on
Cadd9
Cause I can't see what's ahead
G
And there are places I've wished I could be
Battles I've wanted to win
Em7
Dreams that have slipped through my hands
Cadd9
I may never get back again

Chorus

D **G**
And I'm still a dreamer, a believer
Em7
Oh, I lost my faith in so many things
D **Cadd9**
But I still believe in You [Skip to ^ 2nd time]
G
[Cause You can make anything new] (*1st time to Verse2)
G
^ Cause You are the answer, The Redeemer
Em7
Oh, I've given up on too many things
D **Cadd9**
But I'm not giving up on You
G G G G D
Cause You can make anything new

Verse 2

Sometimes I just wish we could say
All the things that are easy to hear
Ignore the injustice we see
And explain every unanswered prayer
But I'd rather speak honestly
And wear a tattered heart on my sleeve
Cuz in the middle of my broken dreams
Redemption is here

Bridge

Em7 **Cadd9**
I don't have every answer in life
G **D**
But I'm trusting You one day at a time
Em7 **Cadd9** **D**
Cause You can make a weak heart stay alive, forever
Em7 **Cadd9**
And this is where heaven and earth collide
G **D**
I lift my hands, I give my life
Em7 **Cadd9** **D**
This is how my weary heart stays alive

Ending

Em7 Cadd9 G D
Oh, I'm still a dreamer
Em7 C G D
Still a believer
Em7 Cadd9 G D
And You are the answer
Em7 Cadd9 G D
The Redeemer
Em7 Cadd9 G D
Cuz You can make anything new
Em7 Cadd9 Em
Yeah, You can make anything new

And that's it!

If you may notice I DID copy most of this from another tab on UG but I made a few of my own corrections, I hope you find them beneficial.

To give credit where it is due this is the tab that I corrected:
