**Sandi Patty**

Capo 5

I ve always heard there is a land  
Beyond the mortal dreams of man  
Where ev ry tear will be left behind  
But it must be in another time  
Oh there ll be an everlasting light  
Shining a purest holy white  
And ev ry fear will be erased  
But it must be in another place  
Oh oh so I m waiting for another time  
And another place  
Where all my hopes and dreams will be captured  
With one look at Jesus face  
Oh my heart s been burnin  
My soul keeps yearnin  
Sometimes I can t hardly wait  
For that sweet sweet someday  
When I ll be swept away  
To another time and another place

I ve grown so tired of earthly things  
They promise peace but furnish pain  
All of life s sweetest joys combined  
Could never match those in another time

Oh and though I ve put my trust in Christ

And felt His Spirit move in my life

I know it s truly just a taste

Of His glory in another place
