

Another Timeanother Place
Sandi Patty

Capo 5

I ve always heard there is a land
Beyond the mortal dreams of man
Where ev ry tear will be left behind
But it must be in another time
Oh there ll be an everlasting light
Shining a purest holy white
And ev ry fear will be erased
But it must be in another place
Oh oh so I m waiting for another time
And another place
Where all my hopes and dreams will be captured
With one look at Jesus face
Oh my heart s been burnin
My soul keeps yearnin
Sometimes I can t hardly wait
For that sweet sweet someday
When I ll be swept away
To another time and another place

I ve grown so tired of earthly things
They promise peace but furnish pain
All of life s sweetest joys combined
Could never match those in another time

Oh and though I ve put my trust in Christ

And felt His Spirit move in my life

I know it s truly just a taste

Of His glory in another place
