SO FAR  
Sandy Patti

**C** **Fm** **C**  
So Far, it's been so good So far  
**Fm** **Em**  
Through all the joys and scars,  
**Am** **Dm** **F**  
you've won the battles in my heart,

**C** **Fm** **C**  
I long for what, you have in store  
**Fm** **Em**  
another opened door,  
**Am** **Dm** **F**  
Should I stay here or look for more.

**F** **G**  
Ch. So far, you've brought me,  
**Em** **Am**  
So far you've taught me  
**F** **Em** **Dm** **F**  
So far, that everything I need you are,  
**F** **G** **Em**  
And now, another turn to take,  
**Am** **F**  
Another choice to make,  
**Em** **Dm** **G**  
I can't believe we've come,  
**F**  
So Far.

**C** **Fm** **C**  
You say, the fight has just begun  
**Fm** **Em**  
And yet the battles won,  
**Am** **Dm** **F**  
By trusting in your holy son,  
**C** **Fm** **C**  
You know, the plans you have for me,  
**Fm** **Em**  
I'm trying to believe,  
**Am** **Dm** **F**  
But my eyes can only see so far.
