

**Long Live Love**  
**Sandie Shaw**

Long Live Love: Sandie Shaw.

#1 in UK in 65.

\*\*\* (You can check it out on YouTube. I've always  
thought it had a little Calypso flavour.) \*\*\*

INTRO:

**C**                    **F**  
Venus must have heard my plea,  
**C**                    **G**                    **C**  
She has sent someone along for me.

#1.

**C**  
I have waited a long, long time,  
**G**  
For somebody to call mine.

And at last he's come along,  
**C**                    **C7**  
baby, oh, nothing can go wrong.

CHORUS:

**F**  
We meet every night at eight,  
**C**  
And I don't get home till late.  
**G**  
I say to myself each day,  
**C**  
baby, oh, long, long live love.  
**G C G G7 C**

Mmmm.

#2.

**C**  
True love must be the greatest thing,  
**G**  
I know now why singers sing,  
Of the moon and stars above,  
**C**                    **C7**  
How I love to be in love.

CHORUS:

#3.

**C**  
Now of one thing I'm more than sure,

**G**

Since love come I don t want more,

Than to kiss him every night,

**C**

**C7**

Makes everything alright.

CHORUS:(x2)

ADD:

**G C**

Mmmmm...Long, long live love.

A sixties smash from Kraziekhat.
