Bbm   **G#**
Baby, do you understand me now?
F#   **F**
Sometimes I feel a little mad
      Bbm   **G#**
But, don t you know that no one alive can always be an angel
F#   **F**
When things go wrong I seem to be bad

        C#   **Bbm**
 Cause I m just a soul whose intentions are good
F#   **F**   **Bbm**
Oh Lord, please don t let me be misunderstood

Bbm G# F# F

F#   **G#**
If I seem edgy
F#   **G#**
I want you to know
F#   **G#**   **F**   **C#**
That I never meant to take it out on you
F#   **G#**
Life has its problems
F#   **G#**
And I got my share
F#   **G#**   **F**   **C#**
And that s one thing I never meant to do
F#   **F**
 Cause I love you

```
Bbm                         G#
Baby, don t you know I m just human
F#                              F
And I ve got thoughts like any other one
    Bbm                         G#
And sometimes I find myself, oh Lord, regretting
F#                              F
Some foolish thing, some foolish thing I ve done

    C#                      Bbm
But I m just a soul whose intentions are good
F#                              F           Bbm
Oh Lord, please don t let me be misunderstood
