

Amazing Grace Santana

By: Alex Ooi, 16yo [Malaysia]

Today while I was strumming chords for fun, I got the Amazing Grace chords
impromptu -
funny could it be...

So, here it is. They are

G [320033]

Em [022000]

C [032010]

Bm [004430]

*Note, for chords **Em**, **C** and **Bm**, I prefer strumming all the strings so that it
could
a little fuller if you get what I mean?

G (**G**) **Em** (**Em**) **C** (**C**) **Bm**
Amazing grace, how sweet the sound
(**Bm**) **G** (**G**) **Em** (**Em**) **C**
That saved a wretch like me
(**C**) **G** (**G**) **Bm** (**Bm**) **G** (**G**) **Bm**
I was... once lost, but now I m found
(**Bm**) **G** (**G**) **Em** (**Em**) **C**
Was blind but now I see...

**Note: I think the rest goes according to these chords too.

PS: The chords in the brackets mean you strum it quick before strumming the next
chords.

I am not attending any classes, so I dunno any special terms for anything...

Please help

to improve by commenting. Thank you.

PSS: Sorry if my English sucked a little. I realized that I am not undergoing
any

Test, so there s no need for me to make it REALLY perfect. Sorry again. Hope
you enjoy. =)
