Message:This is for bigenners.  
Legend  
,-One Strum

Intro:**Am-C-Fm-G** (2x)

Verse 1

**Am**  
Betray  
**G**  
The Avalon is always beside me  
**Fm** **G**  
And I m following it home  
Where is my home  
**Am**  
Orion glows  
**G**  
And his eyes open up  
**Fm** **G**  
I once believed that I would set you in line

PreChorus

**Fm** **G** **Fm** **G**  
If only I had the strength you d be completely accepting something else

Chorus

**Am** **C**  
If you keep asking me I ll melt away in the summer air  
**Fm** **G**  
It won t hurt half as much and I ll beg for you to stop it now  
**Am** **C**  
If you keep asking me I ll melt away in the summer air  
**Fm** **G**  
It won t hurt half as much and I ll beg for you just tell me something

Verse 2

**Am** **G** **Fm**  
The fluid through the alpha waves and power cables everywhere  
**G**  
Exercising self-control  
**Am**  
The child calls  
**G**

And he lies open

**Fm** **G**  
I would believe if only I d been thinking at all

Prechorus

**Fm** **G** **Fm** **G**  
If only I had the strength you d be completely accepting something else

Chorus

**Am** **C**  
If you keep asking me I ll melt away in the summer air  
**Fm** **G**  
It won t hurt half as much and I ll beg for you to stop it now  
**Am** **C**  
If you keep asking me I ll melt away in the summer air  
**Fm** **G**  
It won t hurt half as much and I ll beg for you just tell me something

Interlude:**Am-G-Fm-G** (2x)

Prechorus

**Fm** **G** **Fm** **G**  
If only I had the strength you d be completely accepting something else

Chorus

**Am** **C**  
If you keep asking me I ll melt away in the summer air  
**Fm** **G**  
It won t hurt half as much and I ll beg for you to stop it now  
**Am** **C**  
If you keep asking me I ll melt away in the summer air  
**Fm** **G**  
It won t hurt half as much and I ll beg for you just tell me something

**C** **Bb**  
You swore  
**G#m** **Bb**  
Out like my life

**C** **Bb**  
You cried  
**G#m** **Bb** **C,**  
So I m engaged to smile...

-----End-----
