

Love Maker

Saoin

E **D**
Run away and play your games
C
Hide well so I can't find you
E **D**
I'll wait for summer to come
C
then laugh as the trees
E
burn down around you
D **C**
your body was just a test for me
E **D**
and if I run as fast as I can
C
the thought of your memory
E **D**
will catch up with me
C~
will catch up with me
E
I'm always late with my words
C
We tried so hard
E
I should have told you
C
but I never really cared
you always mislead me
E **E**
You always got the worst of me
E
It's a shame
D **C**
that you're still lying broken here
E
In this moment
D **C**
everything just seems so clear
because,
E **D** **C**
Her body was just a test you see
E **D**
If you run as fast as you can
C
