Bm **A** **G**
I miss the part, when we were moving forward now
A
(On our way down)
Bm **A** **G**
But maybe someday, I ll be something more than love
A
Just know I ll never tell
Bm **A**
And when you re on your way down
G
(Through the clouds)
G **A**
And you re waiting for your body s re-entry again

Bm **D**
We speak in different voices
A **G**
When fighting with the ones we ve loved
Bm **D**
We speak in different voices
A **G**
Why can t we say what we re thinking of

Bm **A** **G**
I m missing parts, now that you ve told me everything
A
(On our way down)
Bm **A** **G**
And I was blessed and I ve forgotten how to love
A
You said you d never tell
Bm **A**
And when you re on your way down
G
(Through the clouds)
G **A**
And you re waiting for your body s re-entry again

Bm **D**
We speak in different voices
A **G**
When fighting with the ones we ve loved
Bm **D**
We speak in different voices
A **G**
Why can t we say what we re thinking of

D **Bm** **G**
Not even I will tell...

Em **G**
We speak in different voices
Bm **A**
When fighting with the ones we ve loved

We speak in different voices
Bm **A**
We say these things to know they re real.

Bm **D**
We speak in different voices
A **G**
When fighting with the ones we ve loved
Bm **D**
We speak in different voices
A **G**
Why can t we say what we re thinking of

Bm **D**
We speak in different voices
A **G**
When fighting with the ones we ve loved
Bm **D**
We speak in different voices
A **G**
Why can t we say what we re thinking of

To know they re real, real
A
