

Before I Ever Knew Better
Sara Bareilles

Capo 1

C **Am** **Dm**
Don't know where to put you anymore

C **Am** **Dm** **G**
You can't be kept inside my dresser drawer

C **Am** **Dm**
I find the pieces of you in my dreams

Dm **Em** **F**
And in the evenings

C **Am** **Dm**
Spill out the edge of my mind.

C **Am** **Dm** **G**
Memories of you feel like they're miles wide

C **Am** **Dm**
It's all I can do to get to the other side

Dm **Em** **F**
Of these evenings

Chorus

C **G**
I'll see you tonight in the back of my mind

Dm **G**
When I remember your skin like I remembered it then

C **G**
When you would dress me in white with the look in your eyes

Dm **Dm** **E** **F**
Knew you'd love me forever

C **Am** **Dm**
Before I ever knew better

C **Am** **Dm**

Verse II.

C **Am** **Dm**
Can't see myself back beside you

C **Am** **Dm**
But I see nobody else

C **Am** **Dm**
Nobody's perfect but I'm perfectly happy to keep on

Dm **Em** **F**
Bringing this love down off the shelf.
