Sara Bareilles

intro: **F**

F
You can be amazing
F
You can turn a phrase into a weapon or a drug
Dm
You can be the outcast

Or be the backlash of somebody?s lack of love
    C
Or you can start speaking up
F
Nothing?s gonna hurt you the way that words do
F
And they settle ?neath your skin
Dm
Kept on the inside and no sunlight
          Bb
Sometimes a shadow wins
C
But I wonder what would happen if you

F
Say what you wanna say
Dm   **Bb**
And let the words fall out
      C
Honestly I wanna see you be brave
F
With what you want to say
Dm   **Bb**
And let the words fall out

Honestly I wanna see you be brave

I just wanna see you

Everybody?s been there, everybody?s been stared down
F
By the enemy
Dm
Fallen for the fear and done some disappearing
Dm   **Bb**
Bow down to the mighty
                C
Don?t run, stop holding your tongue
F
Maybe there?s a way out of the cage where you live
Dm   **Bb**
Maybe one of these days you can let the light in

Show me how big your brave is

Say what you wanna say
