Sara Bareilles

INTRO: Em C (4x)

There s a harvest each Saturday night  
At the bars filled with perfume and hitching a ride  
A place you can stand for one night and get gone  
It s clear this conversation ain t doing a thing  
Cause these boys only listen to me when I sing  
And I don t feel like singing tonight  
All the same songs

CHORUS

In these deep city lights  
Girl could get lost tonight  
I m finding every reason to be gone  
Nothing here to hold on to  
Could I hold you?

INTRO: Em C x 4

The situation s always the same  
You got your wolves in their clothes whispering Hollywood s name  
Stealing gold from the silver they see  
But it s not me

CHORUS

In these deep city lights  
Girl could get lost tonight

**G D Em**  
I m finding every reason to be gone  
**C A**  
Nothing here to hold on to  
**C**  
Could I hold you?

**Am C G D Am**  
Calling out somebody save me I feel like I m fading away  
**C G**  
I m I gone?  
**Am C G D Am**  
Calling out somebody save me I feel like I m fading?
