INTRO: Dm Bb (4x)

There s a harvest each Saturday night
At the bars filled with perfume and hitching a ride
A place you can stand for one night and get gone
It s clear this conversation ain t doing a thing
Cause these boys only listen to me when I sing
And I don t feel like singing tonight
All the same songs

CHORUS

In these deep city lights
Girl could get lost tonight
I m finding every reason to be gone
Nothing here to hold on to
Could I hold you?

INTRO: Dm Bb x 4

The situation s always the same
You got your wolves in their clothes whispering Hollywood s name
Stealing gold from the silver they see
But it s not me

In these deep city lights
Girl could get lost tonight
