

# I Choose You

Sara Bareilles

**B** **F#** **G#m**  
Let the bough break, let it come down crashing

**E** **B** **F#**  
Let the sun fade out to a dark sky

**B** **F#** **G#m**  
I can't say I'd even notice it was absent

**E** **B** **F#**  
Cause I could live by the light in your eyes

**G#m**  
I'll unfold before you

**E**  
Would have strung together

**C#** **C#m** **F#**  
The very first words of a lifelong love letter

**B** **F#** **G#m**  
Tell the world that we finally got it all right  
**E** **B** **F#**

I choose you

**B** **F#** **G#m**  
I will become yours and you will become mine  
**E** **B** **F#**

**B** **F#** **G#m**  
There was a time when I would have believed them  
**E** **B** **F#**

If they told me that you could not come true just love's illusion

**B** **F#** **G#m**  
But then you found me and everything changed  
**E** **B** **F#**

And I believe in something again

**G#m**  
My whole heart

**E**  
Will be yours forever

**C#** **C#m** **E**  
This is a beautiful start to a lifelong love letter
