Sara performed this live April 22, 2012, at the Washington Pavilion in Sioux Falls, SD

This is only my 2nd tab. Please tell me if you hear something different but it sounds fairly accurate baring in mind Sara plays it pn a Uke.

Capo 2

[Intro]
G Dsus4 Em7 Cadd9

G
Give me your heart to hold the God-like truth,
Dsus4

Give me one good soul I can tell it through
Em7

Give me good reason to believe in you
Cadd9

And give me strength if you have time

G
Give me two hands that ll hold this up
Dsus4

And don t you give me no more than just enough
Em7

You gave a pair of brown eyes that can call a good bluff
Cadd9

And somebody who thinks they shine

Dsus4 Em7 Cadd9 Dsus4
But you, I just want you
Em7 Cadd9 G

I just want you

G
I spend most of my life on a microphone
Dsus4
Giving all that Iâ€™ve got until I head back home
Em7
And when the lights go out, and Iâ€™m all alone,

Cadd9

Got no reason to be crying

G

But on a bad day I feel like a masochist

Dsus4

Take it away from me, if it s for the best

Em7

Somehow I ended up the head of this

Cadd9

Freight train that isn t mine

Dsus4 Em7

Cadd9

But you, I just want you

Dsus4 Em7

Cadd9

You, I just want you

G

So take it all away

Dsus4

If it isn t meant for me

Em7

I don t want the easy way

Cadd9

I just want you

G

They can give me everything

Dsus4

But at the end of the day

Em7

The only words Iâ€™ll say

Cadd9

Is I just want you

G Dsus4 Em7

Cadd9

I just want you

G

Itâ€™s all so simple when I break it all down

Dsus4

Two roads converged on a hallow ground

Em7

Itâ€™s taken all my life to hear the sacred sound

Cadd9

Of sweet simplicity

G

Saying give it all back, you don t mean a thing

Dsus4

You got a short-lived life and a song to sing

Em7

And the only way up is believing

Cadd9

In never looking down

G

So take it all away

Dsus4

If it isn't meant for me

Em7

I don't want the easy way

Cadd9

I just want you

G

They can give me everything

Dsus4

But at the end of the day

Em7

The only words I'll say

Cadd9

Is I just want you

G Dsus4 Em7

Oh,

Cadd9

I just want you

G Dsus4 Em7 Cadd9

Oh
