```
King Of Anything
Sara Bareilles
Verso 1:
 Keep drinking coffee, stare me down across the table
                      GA
 While I look outside
 So many things I d say if only I were able
But I just keep quiet and count the cars that pass by
 You ve got opinions, man
Em
 We re all entitled to them, but I never asked
So let me thank you for your time, and try not to waste anymore of mine
 And get out of here fast
Pré-Refrão:
                                F#m G
I hate to break it to you babe,
but I m not drowning
There s no one here to save

Bm

```
And ride off into your delusional sunset
I m not the one who s lost with no direction oh
                       G
But you ll never see
                                     Em
You re so busy making maps with my name on them in all caps
 You got the talking down, just not the listening
