

Let The Rain
Sara Bareilles

Bbmaj7-C-Gm-Bb

the Bbmaj7 might sound weird and you can just play an **F** instead if you think so!

the Bbmaj7 is what she is playing in the song though!

all of the chords should be barred! its easier to play the rhythm of the song.
did it by ear so just go with it! listen to the song for the strum pattern, its pretty easy.

Bmaj7

I wish I were pretty

C

I wish I were brave

Gm

If I owned this city

Bb

Then I d make it behave

Bmaj7

And if I were fearless

C

Then I d speak my truth

Gm

And the world would hear this

Bb

That s what I wish I d do, yeah

Bmaj7

If my hands could hold them you d see

C

I d take all these secrets in me

Gm

And I d move and mold them to be

Bb

Something I d set free

Gm

I want to darken in the skies

Bb

Open the floodgates up

F (Bbmaj7)

I want to change my mind

C

I want to be enough

Gm

I want the water in my eyes

Bb

I want to cry until the end of time

(chorus)

F (you can switch to the Gm a couple times back and fourth between the F and the Gm)

I want to let the rain come down

Make a brand new ground

Let the rain come down

Let the rain come down

Make a brand new ground

Let the rain come down tonight

I hold on to worry so tight

It s safe in here right next to my heart

Who now shouts at the top of her voice

Let me go, let me out, this is not my choice

And I always felt it before

That the world was filled with much more

Than the drowning soul I ve learned to be

I just need the rain to remind me

I want to darken in the skies

Open the floodgates up

I want to change my mind

I want to be enough

I want the water in my eyes

I want to cry until the end of time

I want to let the rain come down

Make a brand new ground

Let the rain come down

Let the rain come down

Make a brand new ground

Let the rain come down

I want to let the rain come down

Make a brand new ground

Let the rain come down

Let the rain come down

Make a brand new ground

Let the rain come down

I want to let the rain come down

Make a brand new ground

Let the rain come down

Let the rain come down

Make a brand new ground

Let the rain come down tonight
