

Little Black Dress

Sara Bareilles

[Intro] G Bm7

G Bm7
Okay I can see it now it s all the same thing
Just different wrapping around it

F
No need to soften your words
C Cm
They re still gonna hurt, So don t pull punches

G Bm7
I tried to be everything you d ever want and sometimes
I even stood on my heart and stomped

F
Now I m finally alone
C Cm Em
And dressed for the show, but going nowhere

Em C Cm G
They don t need to see me crying

G Bm7
I ll get my little black dress on
Em
And if I put on my favorite song
Cm
I m gonna dance until you re all gone
G
I ll get my little black dress on

G Bm7
You came, lifted me up, but then you dropped a hurricane

F
Now I m fighting to find the ground again
To steady my feet

C Cm
Get up off my knees and just remember

G
That I am more than just somebody s puppet

Bm7
I can find the cord and then I ll cut it

F C Cm
I stand a pretty good chance to dust myself off and dance

G Bm7
I ll get my little black dress on

And if I put on my favorite song **Em**
 I m gonna dance until you re all gone **Cm**
 I ll get my little black dress on **G**
 I got my little black dress on **Bm7**
 And if I tell myself that nothing s wrong **Em**
 This doesn t have to be a sad song **Cm**
 Not with my little black dress on **Em**

Em **C** **G**
 It s time to connect the dots and draw a different picture up
D **Em**
 And paint it with the colors of everything I ever was
C **G**
 Return to the scene of the crime, the day I let the music die
D **G**
 And rewrite the final lines cause this time I

G **Bm7**
 I ll get my little black dress on
Em
 And if I put on my favorite song
Cm
 I m gonna dance until you re all gone
G
 I ll get my little black dress on
Bm7
 I got my little black dress on
Em
 And if I tell myself that nothing s wrong
Cm
 This doesn t have to be a sad song
G **Bm7**
 Not with my little black dress on
