

Little Black Dress
Sara Bareilles

[Intro] **G# Cm7**

G# Cm7
Okay I can see it now it s all the same thing
Just different wrapping around it

F#
No need to soften your words
C# C#m
They re still gonna hurt, So don t pull punches

G# Cm7
I tried to be everything you d ever want and sometimes
I even stood on my heart and stomped

F#
Now I m finally alone
C# C#m Fm
And dressed for the show, but going nowhere

Fm C# C#m G#
They don t need to see me crying

G# Cm7
I ll get my little black dress on
Fm
And if I put on my favorite song
C#m
I m gonna dance until you re all gone
G#
I ll get my little black dress on

G# Cm7
You came, lifted me up, but then you dropped a hurricane

F#
Now I m fighting to find the ground again
To steady my feet
C# C#m
Get up off my knees and just remember

G#
That I am more than just somebody s puppet

Cm7
I can find the cord and then I ll cut it
F# C# C#m
I stand a pretty good chance to dust myself off and dance

G# Cm7
I ll get my little black dress on

And if I put on my favorite song **Fm**
 I m gonna dance until you re all gone **C#m**
 I ll get my little black dress on **G#**
 I got my little black dress on **Cm7**
 And if I tell myself that nothing s wrong **Fm**
 This doesn t have to be a sad song **C#m**
 Not with my little black dress on **Fm**

Fm **C#** **G#**
 It s time to connect the dots and draw a different picture up
 And paint it with the colors of everything I ever was **Eb** **Fm**
 Return to the scene of the crime, the day I let the music die **C#** **G#**
 And rewrite the final lines cause this time I **Eb** **G#**

G# **Cm7**
 I ll get my little black dress on
 And if I put on my favorite song **Fm**
 I m gonna dance until you re all gone **C#m**
 I ll get my little black dress on **G#**
 I got my little black dress on **Cm7**
 And if I tell myself that nothing s wrong **Fm**
 This doesn t have to be a sad song **C#m**
 Not with my little black dress on **G#** **Cm7**
