

**Little Black Dress**  
**Sara Bareilles**

[Intro] **F Am7**

**F** **Am7**  
Okay I can see it now it s all the same thing  
Just different wrapping around it

**Eb**  
No need to soften your words  
**Bb** **Bbm**  
They re still gonna hurt, So don t pull punches

**F** **Am7**  
I tried to be everything you d ever want and sometimes  
I even stood on my heart and stomped

**Eb**  
Now I m finally alone  
**Bb** **Bbm** **Dm**  
And dressed for the show, but going nowhere

**Dm** **Bb** **Bbm** **F**  
They don t need to see me crying

**F** **Am7**  
I ll get my little black dress on  
**Dm**  
And if I put on my favorite song  
**Bbm**  
I m gonna dance until you re all gone  
**F**  
I ll get my little black dress on

**F** **Am7**  
You came, lifted me up, but then you dropped a hurricane  
**Eb**  
Now I m fighting to find the ground again  
To steady my feet  
**Bb** **Bbm**  
Get up off my knees and just remember

**F**  
That I am more than just somebody s puppet  
**Am7**  
I can find the cord and then I ll cut it  
**Eb** **Bb** **Bbm**  
I stand a pretty good chance to dust myself off and dance

**F** **Am7**  
I ll get my little black dress on

And if I put on my favorite song **Dm**  
 I m gonna dance until you re all gone **Bbm**  
 I ll get my little black dress on **F**  
 I got my little black dress on **Am7**  
 And if I tell myself that nothing s wrong **Dm**  
 This doesn t have to be a sad song **Bbm**  
 Not with my little black dress on **Dm**  
  
 It s time to connect the dots and draw a different picture up **Dm** **Bb** **F**  
 And paint it with the colors of everything I ever was **C** **Dm**  
 Return to the scene of the crime, the day I let the music die **Bb** **F**  
 And rewrite the final lines cause this time I **C** **F**  
  
 I ll get my little black dress on **F** **Am7**  
 And if I put on my favorite song **Dm**  
 I m gonna dance until you re all gone **Bbm**  
 I ll get my little black dress on **F**  
 I got my little black dress on **Am7**  
 And if I tell myself that nothing s wrong **Dm**  
 This doesn t have to be a sad song **Bbm**  
 Not with my little black dress on **F** **Am7**
