

Little Black Dress
Sara Bareilles

[Intro] **F# Bbm7**

F# **Bbm7**
Okay I can see it now it s all the same thing
Just different wrapping around it

E
No need to soften your words
B **Bm**
They re still gonna hurt, So don t pull punches

F# **Bbm7**
I tried to be everything you d ever want and sometimes
I even stood on my heart and stomped

E
Now I m finally alone
B **Bm** **Ebm**
And dressed for the show, but going nowhere

Ebm **B** **Bm** **F#**
They don t need to see me crying

F# **Bbm7**
I ll get my little black dress on
Ebm
And if I put on my favorite song
Bm
I m gonna dance until you re all gone
F#
I ll get my little black dress on

F# **Bbm7**
You came, lifted me up, but then you dropped a hurricane

E
Now I m fighting to find the ground again
To steady my feet

B **Bm**
Get up off my knees and just remember

F#
That I am more than just somebody s puppet

Bbm7
I can find the cord and then I ll cut it
E **B** **Bm**
I stand a pretty good chance to dust myself off and dance

F# **Bbm7**
I ll get my little black dress on

Ebm

And if I put on my favorite song

Bm

I m gonna dance until you re all gone

F#

I ll get my little black dress on

Bbm7

I got my little black dress on

Ebm

And if I tell myself that nothing s wrong

Bm

This doesn t have to be a sad song

Ebm

Not with my little black dress on

Ebm

B

F#

It s time to connect the dots and draw a different picture up

C#

Ebm

And paint it with the colors of everything I ever was

B

F#

Return to the scene of the crime, the day I let the music die

C#

F#

And rewrite the final lines cause this time I

F#

Bbm7

I ll get my little black dress on

Ebm

And if I put on my favorite song

Bm

I m gonna dance until you re all gone

F#

I ll get my little black dress on

Bbm7

I got my little black dress on

Ebm

And if I tell myself that nothing s wrong

Bm

This doesn t have to be a sad song

F#

Bbm7

Not with my little black dress on
