

Little Black Dress

Sara Bareilles

[Intro] A C#m7

A C#m7
Okay I can see it now it s all the same thing
Just different wrapping around it

G
No need to soften your words
D Dm
They re still gonna hurt, So don t pull punches

A C#m7
I tried to be everything you d ever want and sometimes
I even stood on my heart and stomped

G
Now I m finally alone
D Dm F#m
And dressed for the show, but going nowhere

F#m D Dm A
They don t need to see me crying

A C#m7
I ll get my little black dress on
F#m
And if I put on my favorite song
Dm
I m gonna dance until you re all gone
A
I ll get my little black dress on

A C#m7
You came, lifted me up, but then you dropped a hurricane

G
Now I m fighting to find the ground again
To steady my feet
D Dm
Get up off my knees and just remember

A
That I am more than just somebody s puppet

C#m7
I can find the cord and then I ll cut it
G D Dm
I stand a pretty good chance to dust myself off and dance

A C#m7
I ll get my little black dress on

And if I put on my favorite song **F#m**
 I m gonna dance until you re all gone **Dm**
 I ll get my little black dress on **A**
 I got my little black dress on **C#m7**
 And if I tell myself that nothing s wrong **F#m**
 This doesn t have to be a sad song **Dm**
 Not with my little black dress on **F#m**

F#m **D** **A**
 It s time to connect the dots and draw a different picture up
 And paint it with the colors of everything I ever was **E** **F#m**
 Return to the scene of the crime, the day I let the music die **D** **A**
 And rewrite the final lines cause this time I **E** **A**

A **C#m7**
 I ll get my little black dress on
 And if I put on my favorite song **F#m**
 I m gonna dance until you re all gone **Dm**
 I ll get my little black dress on **A**
 I got my little black dress on **C#m7**
 And if I tell myself that nothing s wrong **F#m**
 This doesn t have to be a sad song **Dm**
 Not with my little black dress on **A** **C#m7**
