

**Not Alone**

**Sara Bareilles**

There is a really simple piano line during the verses that goes like this (it s not hard to figure out the rhythm)

```
e|-----|
B|-----|
G|-----|
D|--1----1----1----1-----|
A|-3----2----1----0----6-----|
E|-----4----3---3-----|
```

(So, it s basically Cm/C, Cm/B, Cm/Bb, Cm/A, Cm/G#, G.)

Chorus:

**Eb**  **G**  
And I don t want to be alone

**Cm**                                  **G#**  
Sky, don t let the sun go

**Eb**  
I m not ready for the darkness

**G**                                  **Cm**  
Swear upon a heartless soul

**Eb**                  **G**  
And I don t want to cry when you go

**Cm**                                  **G#**  
Stay a little longer, you know

**Eb**  **G**  **G**  
You re making me feeel  
I m not alone

Bridge:

**G#**  
And if I only worry bout it  
Worry bout it, worry bout it

**Eb**  
I just keep breaking down  
Breaking down, breaking down

**G#**  
Boy, I could do without  
Do without, do without

**G**                  **G**  
A night of the bad dreams, sad things

**G**                                  **G**  
  Tell me what that means

That s it, have fun! :D
