

One Sweet Love  
Sara Bareilles

C Dm7 F C

C Dm7  
Just about the time the shadows call  
F C  
I undress my mind and dare you to follow  
Dm7  
Paint a portrait of my mystery  
F C  
Only close my eyes and you are here with me  
Dm7  
A nameless face to think I see  
F C  
To sit and watch the waves with me till they re gone  
Dm7 F  
A heart I d swear I d recognize is made out of  
Bb F  
My own devices.. Could I be wrong?

[CHORUS]

C Dm7 F  
The time that I ve taken  
C Dm7 F  
I pray is not wasted  
C Dm7 F C Dm7 F  
Have I already tasted my piece of one sweet love?

C Dm7  
Sleepless nights you creep inside of me  
F C  
Paint your shadows on the breath that we share  
Dm7  
You take more than just my sanity  
F C  
You take my reason not to care.  
Dm7  
No ordinary wings I ll need  
F C  
The sky itself will carry me back to you  
Dm7 F  
The things I dream that I can do I ll open up  
Bb  
The moon for you  
F  
Just come down soon

[CHORUS]
