

One Sweet Love
Sara Bareilles

C# Ebm7 F# C#

C# Ebm7
Just about the time the shadows call
F# C#
I undress my mind and dare you to follow
Eb7

Paint a portrait of my mystery
F# C#
Only close my eyes and you are here with me
Eb7

A nameless face to think I see
F# C#
To sit and watch the waves with me till they re gone
Eb7 F#
A heart I d swear I d recognize is made out of
B F#
My own devices.. Could I be wrong?

[CHORUS]

C# Ebm7 F#
The time that I ve taken
C# Eb7 F#
I pray is not wasted
C# Eb7 F# C# Eb7 F#
Have I already tasted my piece of one sweet love?

C# Eb7
Sleepless nights you creep inside of me
F# C#
Paint your shadows on the breath that we share
Eb7

You take more than just my sanity
F# C#
You take my reason not to care.
Eb7

No ordinary wings I ll need
F# C#
The sky itself will carry me back to you
Eb7 F#
The things I dream that I can do I ll open up
B

The moon for you
F#
Just come down soon

[CHORUS]

C# Ebm7 F#
 The time that I ve taken
C# Ebm7 F#
 I pray is not wasted
C# Ebm7 F# C# Ebm7 F#
 Have I already tasted my piece of one sweet love?
C# Ebm7 F# C# Ebm7 F#
 Ready and waiting for a heart worth the breaking
C# Ebm7 F#
 But I d settle for an honest mistake in the name of
C# Ebm7 F#
 One sweet love.

G# F#
 Savor the sorrow to soften the pain sip on
Bbm
 The southern rain
G# F#
 As I do, I don t look don t touch don t do anything
Ebm-Fm F#
 But hope that there is a you.

Ebm7
 The earth that is the space between,
F# C#
 I d banish it from under me...to get to you.
Ebm7 F#
 Your unexpected love provides my solitary s suicide...
B F#
 oh I wish I knew

[CHORUS]
C# Ebm7 F#
 The time that I ve taken
C# Ebm7 F#
 I pray is not wasted
C# Ebm7 F# C# Ebm7 F#
 Have I already tasted my piece of one sweet love?
C# Ebm7 F# C# Ebm7 F#
 Ready and waiting for a heart worth the breaking
C# Ebm7 F#
 But I d settle for an honest mistake in the name of
C# Ebm7 F#
 One sweet love.

C# Ebm7 F#
 One sweet love.
