

One Sweet Love
Sara Bareilles

E F#m7 A E

E F#m7
Just about the time the shadows call
A E
I undress my mind and dare you to follow
F#m7
Paint a portrait of my mystery
A E
Only close my eyes and you are here with me
F#m7
A nameless face to think I see
A E
To sit and watch the waves with me till they re gone
F#m7 A
A heart I d swear I d recognize is made out of
D A
My own devices.. Could I be wrong?

[CHORUS]

E F#m7 A
The time that I ve taken
E F#m7 A
I pray is not wasted
E F#m7 A E F#m7 A
Have I already tasted my piece of one sweet love?

E F#m7
Sleepless nights you creep inside of me
A E
Paint your shadows on the breath that we share
F#m7
You take more than just my sanity
A E
You take my reason not to care.
F#m7
No ordinary wings I ll need
A E
The sky itself will carry me back to you
F#m7 A
The things I dream that I can do I ll open up
D
The moon for you
A
Just come down soon

[CHORUS]

E F#m7 A
The time that I've taken
E F#m7 A
I pray is not wasted
E F#m7 A E F#m7 A
Have I already tasted my piece of one sweet love?
E F#m7 A E F#m7 A
Ready and waiting for a heart worth the breaking
E F#m7 A
But I'd settle for an honest mistake in the name of
E F#m7 A
One sweet love.

B A
Savor the sorrow to soften the pain sip on
C#m
The southern rain
B A
As I do, I don't look don't touch don't do anything
F#m-G#m A
But hope that there is a you.

F#m7
The earth that is the space between,
A E
I'd banish it from under me...to get to you.
F#m7 A
Your unexpected love provides my solitary suicide...
D A
oh I wish I knew

[CHORUS]
E F#m7 A
The time that I've taken
E F#m7 A
I pray is not wasted
E F#m7 A E F#m7 A
Have I already tasted my piece of one sweet love?
E F#m7 A E F#m7 A
Ready and waiting for a heart worth the breaking
E F#m7 A
But I'd settle for an honest mistake in the name of
E F#m7 A
One sweet love.

E F#m7 A
One sweet love.
