Say You're Sorry Sara Bareilles

C#m Circus of silence down at our feet Paper cut tigers starting to bleed C#m Hang from your tightrope above the mess Just say you re sorry, no more no less E C#m Words you won t use, you don t feel them like I do Show will be over soon C#m E It s not the curtain closing causing us to call it a day I want to walk away too В But I want you to say you are sorry I m not the one who went and made a mistake I want to walk away too But I want you to say you are sorry C#m I used to believe that the storybook s true Now I don t need it, at least not with you So if you see him, the man neath the mask Tell him I m leaving and not looking back Е Words are no use, you don t need them like I do Show will be over soon C#m It s not the curtain closing causing us to call it a day I want to walk away too But I want you to say you are sorry

I m not the one who went and made a mistake

I want to walk away too But I want you to say you are sorry I want the one word that you refuse to say to me You re so good at giving me responsibility I wash my hands clean and let you watch me as I go I m sorry for you, just so you know C#m Е It s not the curtain closing causing us to call it a day I want to walk away too But I want you to say you are sorry

I m not the one who went and made a mistake

I want to walk away too

But I want you to say you are sorry
