**F#**  
Holding my breath  
**C#**  
Last one I ve got left  
**Ebm**  
till I see you  
**B**  
Deliver my heart with the  
**C#**  
Pieces and parts of me left  
**F#** **C#**  
Every last day seemed to carry the weight  
**Ebm**  
A life time  
**B**  
I Watch from the ground  
**C#**  
As the gold fluttered down from the sky  
**B**  
Sweet sun  
**Ebm**  
Send me the moon  
**G#m**  
Empty the skies out  
**C#** **B**  
Bringing me one step closer to you  
**Ebm**  
Send it soon  
**G#m**  
And I will breathe in, breathe out  
**C#**  
Until you come in and out  
**B** **Ebm**  
Of you - oo  
**B** **Ebm**  
Of you - oo  
**F#**  
Inches away from you  
**C#** **Ebm**  
Scared what I ll take from you, darling  
**B**  
I could live with your ghost  
**C#**

If you say that's the most that I'll get

**F#**

Darkness to light

**C#**

**Ebm**

Moved from day into night to be near you

**B**

Still here I stand

**C#**

I am sinking like sand in your sea

**B**

Sweet sun

**Ebm**

Send me the moon

**G#m**

Empty the skies out

**C#**

**F#**

**C#**

Never you mind where the evening should find us

**Ebm**

Together

**B**

Distance can't take what is hidden here

**C#**

Safe in my chest

**F#**

I'll wait for the day when

**C#**

**Ebm**

We finally say now or never

**B**

Till then I'll be here wanting more

**C#**

As I settle for at most fear

**B**

Sweet sun

**Ebm**

Send me the moon

**G#m**

Empty the skies out

**C#**

**B**

Bringing me one step closer to you

**Ebm**

Send it soon

**G#m**

And I will breathe in, breathe out

**C#**

Till you come in and out

**G#m**

I will breathe in, breathe out

**C#**

Till you come in and out

**G#m**

I will breathe in, breathe out

**C#**

Till you come in and out

**B** **Ebm**

Of you - oo
