

She Used To Be Mine
Sara Bareilles

Eb

It s not simple to say

Bb

Most days, I don t recognize me

Cm

These shoes and this apron

That place and its patrons

G#

Have taken more than I gave them

Eb

It s not easy to know

Bb

I m not anything like I used to be although

Cm

It s true, I was never attention s sweet center

G#

I still remember that girl

Eb

She s imperfect but she tries

Bb

She is good but she lies

Cm

She is hard on herself

G#

She is broken and won t ask for help

Eb

She is messy but she s kind

Bb

She is lonely most of the time

Cm

She is all of this mixed up and

G#

baked in a beautiful pie

Eb

She is gone but she used to be mine

Eb

It s not what I asked for

Bb

Sometimes life just slips in through a backdoor

Cm

G#

and carves out a person and makes you believe it s all true

Now I ve got you

Eb

And you re not what I asked for

G7/C#

If I m honest I know I would give it all back

Cm

for a chance to start over

G#

And rewrite an ending or two

for the girl that I knew

Eb

Who ll be reckless just enough

Bb

Who ll get hurt but who learns how to toughen up

Cm

When she s bruised, and gets used

G#

By a man who can t love

And then she ll get stuck

Eb

And be scared of the life that s inside her

G7/C#

Growing stronger each day

Til it finally reminds her

Cm

To fight just a little

G#

To bring back the fire in her eyes

Eb

G7/C#

That s been gone but used to be mine

Cm

Bb

Used to mine

Eb

She is messy but she s kind

Bb

She is lonely most of the time

Cm

She is all of this mixed up

Bb

G#

and baked in a beautiful pie

Eb

She is gone but she used to be mine
