

Uncharted

Sara Bareilles

Eb B F# G#m

Ahhh

Eb B F# G#m

Mmmm

E B F# G#m

No words, My tears won't make any room for more,

E B F# G#m

And it don't hurt, like anything I've ever felt before, this is

E B F# G#m

No broken heart, No familiar scars,

E B F# G#m

This territory goes uncharted...

E B F# G#m

Just me, in a room sunk down in a house in a town, and I

E B F# G#m

Don't breathe, no I never meant to let it get away from me

E B F# G#m

Now, I've too much to hold, everybody has to get their hands on gold,

E B F# G#m

And I want uncharted.

E F#

Stuck under the ceiling I made, I can't help but feeling...

B

I'm going down,

G#m E

Follow if you want to, I won't just hang around,

F#

Like you'll show me where to go,

B G#m E

I'm already out, foolproof idea, so don't ask me how

F# C#m

To get started, it's all uncharted...

Eb B F# G#m

La la la-ah-ah-ah.

Eb B F# G#m

Oh-h-h.

E B F# G#m

Each day, counting up the minutes, till I get alone, cause I

E B F# G#m

Can't stay in the middle of it all, it's nobody's fault, but I'm

E B F# G#m

So lonely, Never knew how much I didn t know,
E B F# G#m
Oh, everything is uncharted.

E F#
I know I m getting nowhere, when I only sit and stare like...

B
I m going down,
G#m E
Follow if you want to, I won t just hang around,
F#
Like you ll show me where to go,
B G#m E
I m already out, foolproof idea, so don t ask me how
F# E
To get started, it s all uncharted...

G#m G#m/A
Jump start my kaleidoscope heart,
F#
Love to watch the colors fade,
E
They may not make sense,
Eb
But they sure as hell made me.

G#m G#m/A
I won t go as a passenger, no
F#
Waiting for the road to be laid
E B
Though I may be going down,
E Eb
I m taking flame over burning out

E B F# G#m E
B
Compare, where you are to where you want to be, and you ll get no where

B
I m going down,
G#m E
Follow if you want to, I won t just hang around,
F#
Like you ll show me where to go,
B G#m E
I m already out, foolproof idea, so don t ask me how
F#
To get started, ohhh...

B
