

## Uncharted

Sara Bareilles

E C G Am

Ahhh

E C G Am

Mmmm

F C G Am

No words, My tears won't make any room for more,

F C G Am

And it don't hurt, like anything I've ever felt before, this is

F C G Am

No broken heart, No familiar scars,

F C G Am

This territory goes uncharted...

F C G Am

Just me, in a room sunk down in a house in a town, and I

F C G Am

Don't breathe, no I never meant to let it get away from me

F C G Am

Now, I've too much to hold, everybody has to get their hands on gold,

F C G Am

And I want uncharted.

F G

Stuck under the ceiling I made, I can't help but feeling...

C

I'm going down,

Am F

Follow if you want to, I won't just hang around,

G

Like you'll show me where to go,

C Am F

I'm already out, foolproof idea, so don't ask me how

G Dm

To get started, it's all uncharted...

E C G Am

La la la-ah-ah-ah.

E C G Am

Oh-h-h.

F C G Am

Each day, counting up the minutes, till I get alone, cause I

F C G Am

Can't stay in the middle of it all, it's nobody's fault, but I'm

F C G Am

So lonely, Never knew how much I didn't know,

F C G Am

Oh, everything is uncharted.

F G  
I know I'm getting nowhere, when I only sit and stare like...

C  
I'm going down,  
Am F  
Follow if you want to, I won't just hang around,

Love to watch the colors fade,  
F  
They may not make sense,  
E  
But they sure as hell made me.

Am Am/A  
I won't go as a passenger, no  
G  
Waiting for the road to be laid  
F C  
Though I may be going down,  
F E  
I'm taking flame over burning out

F C G Am F

Compare, where you are to where you want to be, and you'll get nowhere
