(**D**) It s always (**Dsus2**) been inside my (**G/B**) head
(**D**) Sunlit hardwood (**Dsus2**) floors and feather (**G/B**) beds
(**D**) And children (**Dsus2**) laughin runnin up and (**G/B**) down the stairs
(**D**) It would be (**Dsus2**) heaven without (**G**) goin nowhere

(Chorus)

And when a (**A**) dream starts (**Bm**) comin (**G**) true
It feels like destiny (**A**), like I (**Bm**) already (**G**) knew
Like you were meant for (**A**) me, and (**Am**) me for (**G**) you
And it feels like I m right (**Em**) where I ve (**Bm**) always belonged (**G**)
And it feels just like a love song (**D-Dsus2-G/B**)

(**D**) The way we (**Dsus2**) talk, the way you (**G/B**) smile
(**D**) You kiss my (**Dsus2**) lips, it drives me (**G/B**) wild
(**D**) I never (**Dsus2**) knew until I (**G/B**) felt your touch
(**D**) That I could (**Dsus2**) need someone so (**G**) much

(Chorus)

Tell my (**Em**) waiting goodbye
(**A**) It s all blue skies
(**Bm**) Feels like comin (**G**) home
And it feels just like a (**A**) love song (**Bm-G**)
Feels like destiny (**A**), like I (**Bm**) already (**G/B**) knew
Like you were meant for (**A**) me, and (**Am**) me for (**G**) you
And it feels like I m right (**Em**) where I ve (**Bm**) always belonged (**G**)
I m (**Em**) right where I (**Bm**) belong (**G/B**)
And it feels just like a love song (**D-Dsus2-G/B**)
And it feels just like a love song (**D-Dsus2-G/B**)
