I don t want you to come round here no more  
I beg you for (C) mercy  
(G) You don t know how strong my weakness is  
Or how much it (C) hurts me  
When you say it s (Em) over with (D) her  
I want to (C) believe it s true (Em)  
So I let you in knowing (D) tomorrow  
I gonna (C) wake up missing you  
(D) Wake up missing you

(G) When the one you (Em) love s in love with (C) someone else (D)  
(G) Don t you know it s (Em) torture  
I mean it s a (C) living hell (D)  
No matter how I (Em) try to (D) convince myself  
This time I (C) won t lose control (Em)  
One look in your (Em) blue eyes and (D) suddenly  
My (C) heart can t tell you no

I don t want you to call me up no more  
Saying you (C) need me  
(G) You re crazy if you think just half your love  
Could ever (C) please me  
But still I want to (Em) hold you, (D) touch you  
When you look at (C) me that way (Em)  
There s only one (Em) solution I (D) know of  
You got to (C) stay away from me  
(D) Stay away from me
