

Pray For You
Sara Evans

(C)
(C) Sometimes I wish I could run
Home to mama s lovins arms
In the (F) springtime
When the (C) weather s fine
Sittin with her on the porch
Glass of tea and nothin more
Than (F) her smile
For just a (G) little while
And (Am) when I don t know
(G/B) Where to go
I (C) think of home
And (Dm) how she used to (G) sing to me

Chorus:

(F) Que (C) sera sera
(G) Life goes (C) on
What (F) ever s meant to (C) be
Will always (G) be
And (F) baby what don t (C) kill you
Will (G) make you (Am) strong
Just love the (F) journey that you re (G) on
In all you (F) do
(G) I ll pray for (C) you

(C) Wild horses and fairy tales
Sometimes turn into somethin else
That you (F) never saw
Comin (C) at you at all
So I guess I m callin just because
He wasn t who I thought he was
And I (F) can t believe
He stopped (G) lovin me
So, (Am) when I m feelin (G/B) all alone
I (C) think of home and (Dm) how you used to (G) sing to me

Chorus

And I m the one that they re countin on
