Bbm		C#	
Come on skinny love just last the year			
		C#	
Pour a little salt, we were never here			
C#	Bbm	C#	
My, my, my, my, my, my, my, my			
C#	G#		Bbm
Staring at the sink of blood and crushed veneer			

Bbm		C#		Bbm
Come on, I tell my love to wreck it all				
Bbm		C#		Bbm
Cut out all the ropes and let me fall				
C#	Bbm	C#		
My, my, my, my, my, my, my, my				
	G#		Bb	

Right in this moment this order s tall

C#

And I told you to be patient

G# **F#**

And I told you to be fine

C#

And I told you to be balanced

G# **F#**

And I told you to be kind

C#

In the morning I ll be with you

G# **F#**

But it will be a different kind

C#

And I ll be holding all the tickets

G# **F#**

And you ll be owning all the fines

Bb **C#**

Come on skinny love what happened here

Bbm **C#** **Bbm**

We suckled on the hope in light brassieres

C# **Bbm** **C#**

My, my, my, my, my, my, my, my

C# **G#** **F#**

Sullen load is full, so slow on the split

C#

And I told you to be patient

G# **F#**

And I told you to be fine

C#

And I told you to be balanced

G# **F#**

And I told you to be kind

C#

And now all your love is wasted

G# **F#**

And then who the hell was I?

C#

And I m breaking at the britches

G# **F#**

And at the end of all your lies

C#

Who will love you?

G# **F#**

Who will fight?

C#

Who will fall far behind?
